

NEW Design to Meet Changing Needs

Once again Florence Manufacturing has partnered with the USPS to provide a superior product which meets your ever increasing security and parcel delivery needs. The redesigned valiant™ 1590 series meets all the F CBU security standards set by the USPS and is part of the outdoor delivery equipment contract awarded to Florence Manufacturing. As the sole provider of the **NEW** Outdoor Parcel Locker to the USPS, Florence is pleased to bring you yet another product they depend upon every day!
