versatile™ collection boxes

versatile™ collection boxes are an excellent modern solution for securing metered and/or bundled mail, but it can collect so much more. . .

Use this secure product for all your individual collection needs; whether that includes x-rays, videos/DVDs, books, key drop, etc.

The patent pending hopper mechanism and collection box lock ensure contents remain safe and secure.

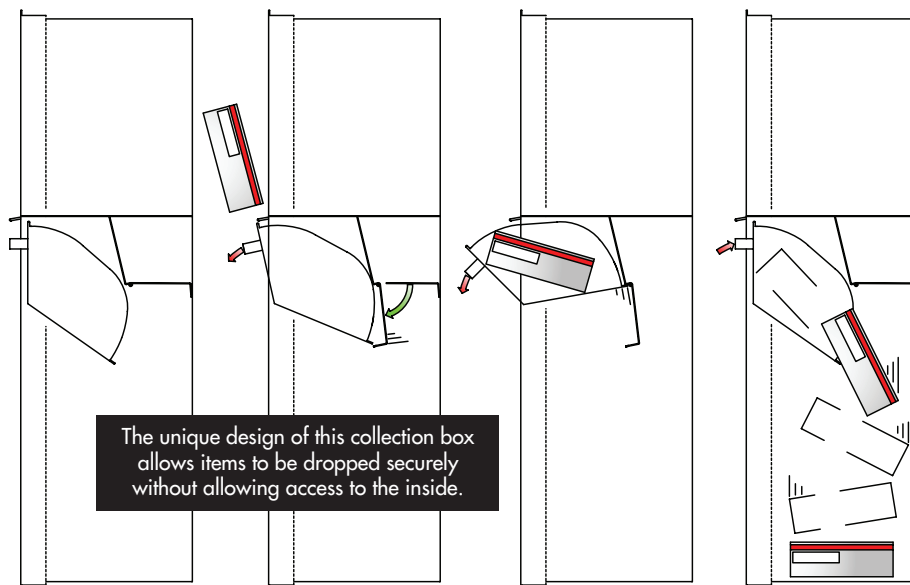

Designed to be suitable for indoor or outdoor use with two stand alone pedestal mount sizes and seven wall-mount sizes - each is designed to coordinate with the versatile™ 4C mailbox suite sizes.

Free-standing pedestal units can be placed anywhere; use separately or in conjunction with 4C or CBU mailbox installations.

Unit labeling is customizable for many different applications.

Product Features

- Durable corrosion-resistant aluminum construction available in 11 architectural powder coat finishes
- Units designed to meet ADA/DOJ, ICC/ANSI, and IBC 2006 compliance for maximum 48" door access when installed 14-1/8" above the finished floor.
- When open, hopper door extends 5-7/16" from unit and seals off access to main collection compartment (see illustration below)
- Once unit is full, hopper door will not open to accept more items
- Standard engraving utilizes 1" tall US Block; five additional font options are available; engrave 12 characters per line, with up to two lines on hopper door and up to four lines of engraving on collection door

Mounting Options

The wall-mounted versatile™ collection boxes can be installed recessed or surface mounted, or encased within a vario™ 4C mail shelter, express, or depot. Two pedestal mount sizes are also available for stand alone applications.

Max Bundle Size

The collection box hopper door will accommodate items up to 11-3/8" wide. To fit into the collection box, the height and length of an item may vary - i.e. as the item height shrinks, the length can grow; but as the height grows, the item length must shrink (see chart at right for maximum height and length details).

*NOTE: HOPE & COLLPS maximum item length is 12-0" due to reduced internal capacity.

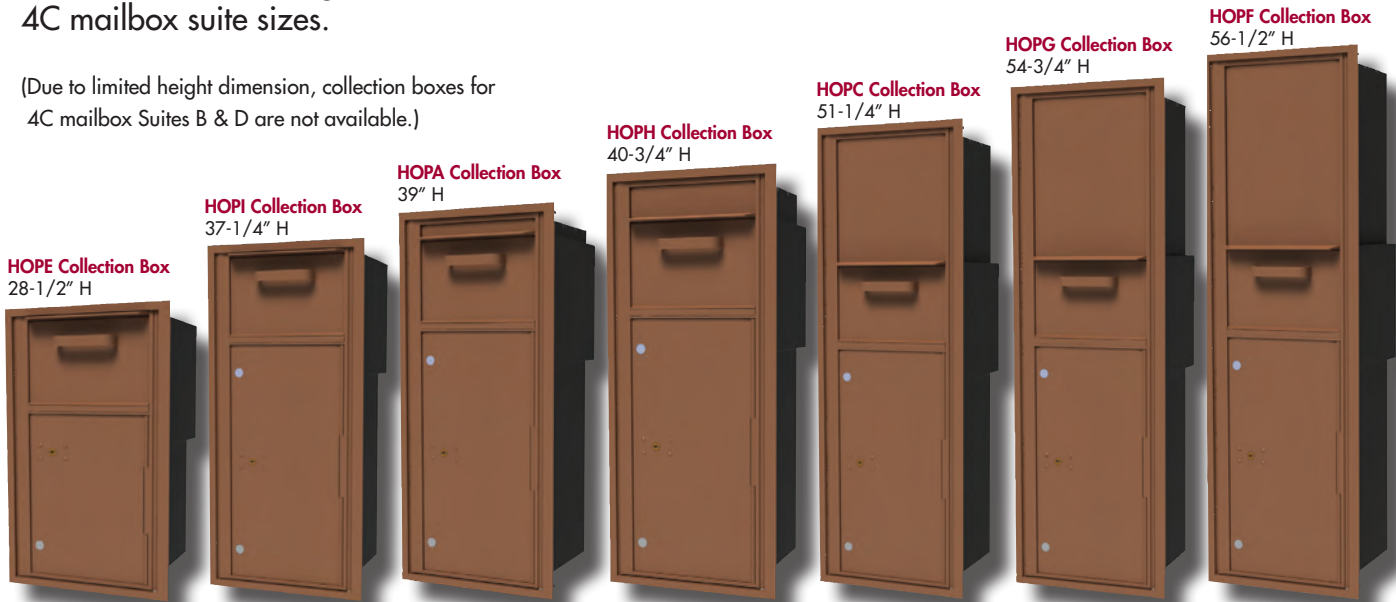

Height	Width	Length
4-1/4"	11-3/8"	6-1/4"
3-1/2"	11-3/8"	11-1/2"
3-0"	11-3/8"	*14-3/4"
2-1/2"	11-3/8"	*14-3/4"

Product Sizes

Florence versatile™ collection boxes are available in two stand alone pedestal sizes (not shown below) plus seven wall-mounted modules - each is designed to coordinate with Florence versatile™ 4C mailbox suite sizes.

(Due to limited height dimension, collection boxes for 4C mailbox Suites B & D are not available.)
