

versatile™ trash/recycling bins

Introducing a NEW accessory module to accompany the Florence line of versatile™ 4C mailbox suites

versatile™ trash/recycling bins shown encased in NEW vario™ Depot mail stands

versatile™ bins can also be installed into the Florence vario™ Shelter and Express mail park kiosks

Trash/Recycling Bin Features

- Interior receptacles, constructed of all recycled materials, are included with bin
- Rugged, corrosion and weather resistant powdercoat finish resists scratching and vandalism
- Constructed of heavy gauge aluminum and stainless steel components for strength, corrosion resistance and exceptional durability
- Door flap standard in brushed stainless steel or may be powder coated to match the bin exterior
- Pre-printed standard door flap decals: WASTE, TRASH, PLASTIC*, GLASS* or PAPER* (*Plastic, Glass, and Paper include recycling symbol)
- Door flap decals may be custom printed with up to 12 characters
- Exclusive Florence multi-unit connector kit hardware provided for convenience and ease of installation
- Locking options include: 5 pin cam lock with 3 keys, 4 dial CombiCam combination lock or keyless latch
